## WHAT & WHO?

The Marathon is a dense programme of continuous five-minute presentations by international experts, students, artists and entrepreneurs.

All you need to participate is relentless enthusiasm and a live or video contribution on a topic relating to life in the city, in the immediate present and in the future: questions, ideas, statements or performances are all welcome. The Marathon's central question is

“What is your idea for the future of the city after the COVID-19 pandemic?”
